Gussie )

Called at the residence of Mrs. Richard La Tourette, 36 Codwise Avenue, where I interviewed her son, George, who said his mother is employed throughout the day but could be found at Michelin Cafeteria, Milltown, N. J.

Proceeded to Milltown, N. J. and located Michelin Cafeteria on Main Street near Ford Ave.

Interviewed Mrs. La Tourette, who said her husband, Richard, died 7 years ago leaving four children; that his parents are both dead; that he had a brother Frank who disappeared many years ago, and has not since been seen or heard from. Also had sisters, Minnie and Gussie.

Says met Minnie 18 or 20 years ago when she made visit to she and husband, Richard. Has not seen or heard from her since, but heard she had married a man named Jim Gillen, who had a saloon on French Street, from whom she separated several years before his death.

Said she had a letter from Gussie just about one year ago; that Gussie at ~~one~~ time was confined to King's County Hospital, Brooklyn, N. Y. suffering from some internal trouble. Had but this one letter and does not know if still in hospital, living or dead.

Said she understood her husband to have relatives in White House, N. J. but never met them.

Could not give me names or any relatives or friends of Minnie or Gussie or suggest any possible way either might be located.

Respectfully submitted,

Thomas L. Harrison.
